OFFICE POLICIES

INSURANCE INFORMATION:

If you are using health insurance for the office visit:

- It is your responsibility to verify with your insurance company that our physicians are“in-network” with your specific plan. We do our best to keep on top of this but because of the number of sub-plans, we are not always aware of our individual sub-plan participation.
- If a referral from your primary care doctor is required by your insurance plan, we must receive it 48 hours prior to your visit or your appointment will not be held.
- Please provide complete insurance information at the time of scheduling so we have ample time to verify your benefits.
- If you learn after the office visit that we are not in-network or that you needed a referral and it was not provided, you will be responsible for payment in full for the visit.

If we do not participate in your insurance plan:

- You will be responsible for payment in full at the time of the visit.
- Upon request, we will provide a receipt of medical services rendered so you can submit a claim to your insurance company.

DEPOSIT TO HOLD NEW PATIENT APPOINTMENT:

- We require a $50 deposit to secure your in-person first appointment.
- Once your insurance company has processed your claim and your responsibility has been determined, any difference will be refunded or collected from the card on file.
- Please allow up to 7 business days from the time of your e-emailed credit notification for your credit to post by your credit card company.
- NO-SHOW/LATE CANCELLATION FEE: If you fail to show for the appointment, or do not provide us more than 24 hours notification, this deposit will be converted to a non-refundable NO-SHOW fee.

CREDIT CARD ON FILE:

- We require a credit card on file to cover deductibles, co-insurances, co-pays, and in some cases denial of medical payment by your insurance company.

REGISTRATION FORMS:

- To avoid prolonged in-person contact due to COVID 19, please submit registration documents within 48 hours of scheduling your appointment. This allows us time to verify insurance and collect additional medical information prior to the visit.

FOLLOW-UP VISITS:

You will be required to have an appointment at appropriate intervals for review of results, review of your medical condition, and management of medication. These appointments may be tele-visits or in-person at the discretion of the physician.

ELECTRONIC COMMUNICATION:

- We encourage you to use our patient portal for brief communication with the office in between scheduled office visits.
- You will be asked to schedule an appointment if the inquiry can not efficiently be handled electronically.
- Your signature at the bottom of the page confirms your consent to electronic communication.

TELEVISITS:

- Televisits are conducted with audio and video over Zoom, Doximity, or Facetime.
  Your signature at the bottom of the page confirms yourconsent to telemedicine visits.

IN-PERSON COVID 19 PRECAUTIONS:

- Due to COVID 19, we are spacing out our in-person appointments to reduce the number of people in our office at one time.
- We unfortunately are unable to see you in-person if you are in quarantine or isolation due to COVID 19. Please inquire regarding possible telemedicine visits.
- To minimize the number of people entering our office, we prefer you come unaccompanied to your visit. If one additional person is essential for the visit, please discuss this at the time of scheduling.
- You must wear a mask to enter the building and you must keep it on at all times.
- We will check your temperature.
- Please use hand sanitizer UPON ENTRY. Hand sanitizer is readily available in our office.
- To maintain air flow, the exam room door may remain open when the doctor is with you.
- You will be provided with a code to enter the front door—please make sure you have this code on the day of the appointment to enter the building.

PRESCRIPTION REQUESTS:

- Please request refills during your appointment to last until your next scheduled visit.
- Prescriptions of controlled substances may require a physician visit.
- Routine refill requests will not be addressed after-hours, on weekends or holidays.
- If you need an emergency refill and it is a weekend or holiday, there will be a $50 emergency prescription fee to contact your pharmacy outside of normal business hours. We strongly encourage you to monitor your medication consumption and plan ahead.
- Please allow up to 48 hours to process routine refill requests submitted Monday through Friday.

LATE ARRIVALS:

Due to COVID 19, we are spacing out our in-person appointments to reduce the number or people in our office at one time. If you arrive more than 30 minutes late for check-in, we will do our best to accommodate you at the discretion of our physician. You may be subject to a no-show fee of $50 and your appointment may need to be rescheduled.

NO-SHOW/LATE CANCELLATIONS PROCEDURE FEE:

Failure to cancel more than 24 hours in advance for EEG, EMGs, and skin biopsies will result in a no show/late cancellation fee of $100.

FORM FEES:

All forms and letters are charged at an additional fee ranging from $25 to $50.

FEEDBACK:

We appreciate positive feedback of our staff and physicians in person, by mail, or online so please take a few moments to review us. If you have an experience that is troubling, please address it directly with our office staff rather than online. All complaints will be brought to our physicians' attention and will be addressed in a timely manner so we may rectify your complaint.
